

Technology is driving change at unprecedented scale.

Today's top organizations are constantly seeking an edge to stay competitive, win new markets and create shareholder value. And with an influx of new digital innovations permeating our world at a rapid pace, we realize the task for today's business leaders is as great of a challenge as ever.

Join our ERP Process Transformation team in Zurich.

For roles we currently have, we are seeking internationally experienced and highly motivated professionals that can design innovative solutions for our clients. If you have a passion for SAP and the latest technological break-throughs, you could be the right fit. And if you have experience in logistics, warehousing, SCM, P2P, manufacturing or sales processes, and can turn complex challenges into actionable solutions, we definitely want to hear from you.

Senior Consultants & Principals for ERP Transformations in S/4HANA, SAP Logistics, Manufacturing, Quality Management, Sales, Finance, Hybris, C4C, Supply Chain Management, Ariba, Successfactors, IBP, BI, Fiori, Leonardo

Our consultants apply deep business process know-how, project management and technical skills to design and implement SAP solutions across a range of business functions in order to deliver sustainable business value for our clients. Our customers are leaders in the retail, consumer goods, life sciences, manufacturing and services industries. With your experience in one of these areas you contribute to the success of our clients by taking on responsibility for large, complex and challenging SAP engagements like:

- Business Transformation
- Mergers and Acquisition
- Supply Chain Optimization
- Digital Innovation

We offer you a great opportunity within a dynamically growing consultancy. You will discover a truly global culture, highly dedicated and motivated colleagues, a cooperative work environment and interesting training opportunities plus unlimited access to the SAP learning hub. Innovative in your approach always thinking ahead – we love proactive self-starters and we want you to come in, work your magic and bring in fresh ideas for us to work on. Does this sound like you? We are looking forward to receive your application via www.infosys.com/consulting/careers/
