

To lead one of our Departments within our Global Finance Organization we are looking for a

Head Global Accounting 100%

Nobel Biocare is a world leader in the field of innovative implant-based dental restorations – from single tooth to fully edentulous indications. We offer dental implant systems, high-precision individualized prosthetics and CAD/CAM systems, diagnostics, treatment planning, guided surgery solutions and biomaterials. We support customers throughout their professional and practice development. Nobel Biocare Headquarters is based in Zurich-Airport, Switzerland, and we have around 34 direct sales organizations worldwide. Nobel Biocare is a member of the Envista Corporation.

Your new role?

The head of global accounting ensures the right implementation of all new accounting guidance as well as the continuous alignment and harmonization on all accounting topics within the group. He/she supports with his/her technical expertise and helps to improve the work and process flows to build a controlled and compliant accounting environment with a stable and engaged team.

Your main duties are:

- Leading the global Accounting department with min. 6 direct reports (average 20 FTE)
- Managing of the US-GAAP and statutory audit processes - internal and external
- Providing financial management of 4 regional Financial Shared Service Centers
- Develop / implement global standards based on US-GAAP
- Esurance of group compliance
- Defines finance processes and ensures the groupwide uniform application
- Process implementation for all intercompany transactions
- Ensures compliance with local laws and regulations as well as applicable group policies
- Maintain the Internal Control System (incl SOX) including fraud detection in the entities
- Leading and supporting group wide finance projects

We are looking for you!

Beside the willingness to be part of an international, cross-functional team you need:

- Higher degree in business administration or equivalent finance specific degree
- min 6 yrs. experience in similar role
- Leadership competence and People Management
- Big 4 Experience, Experience in a global organization and similar position
- SAP, HFM, US-GAAP, International Accounting Standards
- Open pro-active mindset & open to drive change
- Proficiency in Business English; Good level in German
- Independent and solution-oriented work style
- Ability to achieve results
- Team player mentality with analytical thinking and a focus on quality

Are you happy to join a fast-paced, dynamic environment that focuses on customer needs to meet our results? We are looking forward getting to know you. Please hand in your complete documents (CV, Certificates, References)

To be considered for this role, applicants must be either Swiss citizens, EU-nationals or have the legal right to live and work in Switzerland.
