

Who we are

Tillotts Pharma (www.tillotts.com) is a fast-growing **international speciality** Pharma company located **outside of Basel** employing approx. 300 employees in Switzerland and abroad. We are dedicated to the development, in/out-licensing and marketing of innovative pharmaceutical products in the field of gastroenterology. We successfully market our own products as well as in-licensed products in **over 60 countries** through our affiliates as well as a network of carefully chosen licensing- and marketing partners. We are engaged in close collaborations with pharmaceutical research centres and universities.

GI-health is our passion™

**To be located at our HQ in Rheinfelden and Ziefen, we are looking for a
Health, Safety and Environment (HSE) Manager**

Your tasks

- Implement and maintain company-wide HSE program covering Swiss headquarters, Swiss manufacturing site, and seven European affiliates in compliance with applicable laws and industry standards
- Act as primary internal and external contact for HSE matters
- Identify, assess and recommend HSE control measures to enhance occupational health and safety and protection of the environment, monitor their implementation and recommend any necessary corrective and preventive actions
- Organize and deliver group-wide internal trainings and develop training materials in the areas of HSE
- Manage HSE compliance program for business partners and M&A targets, including HSE due diligence and ongoing monitoring/auditing
- Eventually take on role as radiation safety officer, responsible for radiation protection for handling radioactive sources

Who you are

- 2-3 years' experience in HSE, preferably in pharma industry
- University degree with scientific, engineering or technical focus; HSE training (or equivalent experience)
- Project management skills and experience in a matrix organization
- Expert knowledge on radiation protection or a willingness to develop
- Fluent in German & English (incl. negotiation skills)

Who to contact
