

Do you speak Japanese?

We are a dynamic company based at the beautiful Lake of Hallwil (Canton of Aargau) and organize recycling conferences all around the world. In order to have a completed team we are looking for a reliable and motivated organizational talent

Event Management Assistant

60 - 80%

with the possibility of further development into a project leader position. The perfect candidate is a talented organizer, holds a commercial education certificate and has several years of work experience. Would you like to use Japanese and English language skills daily? (additional language skills would be an advantage)

Do you enjoy working in a strong and dynamic team, keep a clear head in hectic situation? Then take the chance and apply now.

We look forward to receiving your written application including a picture:
