

JOB AD

Chain IQ, founded in 2013, is an independent global service and consulting company providing strategic, tactical and operational procurement for its clients. As an international company it offers comprehensive end-to-end procurement solutions for national and international companies. Chain IQ operates from four main centers – Zurich (headquarters), New York, London, and Singapore – and is currently servicing 13 countries (including China, Hong Kong, Japan and Australia).

To further strengthen our European and Global capabilities we are seeking a motivated personality to join us as a

Value Recovery Specialist – 100% (m/f)

based in Zurich (we will also consider the position being based out of our London location.) The position offers an exciting opportunity for a commercially minded qualified accountant with 3-5 years practical experience typically gained in a consulting/accounting practice. The successful candidate will be responsible for helping expand our successful client value proposition, leading and delivering client engagements as well as supporting sales activities.

Your main responsibilities:

- Lead Chain IQ EMEA value recovery engagements working in collaboration with offshore delivery centers and global peers
- Manage and deliver individual recovery projects from project initiation through to report issuance and actual recovery collection ensuring Client delight
- Work in collaboration with Business Development to promote capability and provide technical sales support
- As part of Global Value Recovery Team, contribute to ongoing Value Recovery product enhancement and development

Your profile:

- Degree of a “Fachmann/frau in Finanz- und Rechnungs mit eidg. Fachausweis“
- 3-5 years practical experience typically gained in a consulting/accounting practice
- Natural client centricity and delivery focus
- Excellent analytical, audit and forensic capabilities
- Ability to manage and influence a diverse set of internal and external stakeholders on a project basis to drive optimal outcomes
- Fluent in English and German (written and spoken) are a must. Other languages a plus
