## Become a Business Technologist!

As business technologists, we drive our vision of how to accelerate progress and deliver business results for our clients.

For our Division Infrastructure & Data Management (IDM) located in Zurich-Albisrieden we are currently recruiting a

### **Datacentre Transformation Architect**

#### **Your tasks**

- ▶ Specify and design IT solutions to meet the needs of the client
- ▶ Development of state-of-the-art data centre strategies and offerings, considering converged- and hyper-converged infrastructure, as well as public/private/hybrid cloud solutions
- ▶ Presales activities: customer advisory, preparation and execution of customer specific presentations and workshops, draw up system designs & concepts, perform demonstrations, support in creation of offerings and of sales strategies
- ▶ Lead architect for all design and execution tasks (E2E) in the bid process
- ▶ Take requirements of the customer's needs and design viable solutions fitting the customer's business strategy
- ▶ Technical lead of data centre transition/transformation projects
- ▶ Development of data centre specific blueprints and showcases

#### **Your profile**

- ▶ Minimum five years of experience
  - in a client facing, technical consulting, solution architect or presales engineering role
  - in data centre transformation methodologies (e.g. analyzing and designing data centre solutions as well as planning and executing of transitions and transformation projects)
  - VMware tooling (such as vSphere, vRealize Automation and vRO)
- ▶ Deep knowledge of state-of-the-art data centre designs, technologies and products (EMC, VCE, NetApp, Commvault)
- ▶ Thorough understanding of Cloud Computing: network and virtualization technologies, Infrastructure as a Service, Platform as a Service and Software as a Service, cloud computing design patterns (IaaS, PaaS and SaaS) and common products (Canopy, Azure and AWS), Cloud delivery models and the current competitive landscape
- ▶ Business fluent in English, German and French, optional Italian
- ▶ Commitment to execute and willing to travel

#### **Your application**

Take this chance and apply to this exciting and challenging position under [recruiting@atos.net](mailto:recruiting@atos.net). Direct applications are preferred. Please note that we only consider complete applications (incl. cover letter, resume and all work certificates and diplomas) in the selection process. We are looking forward to meeting you!
