

# Novocure careers

Novocure is a global publicly-traded commercial-stage oncology company developing a profoundly different cancer treatment therapy called tumor treating fields (TTFields) for patients with solid tumors. TTFields therapy is a non-invasive, novel, antimitotic treatment modality which utilizes proprietary technology attempting to slow or reverse tumor progression by inducing tumor cell death. Novocure's commercialized product, Optune, is approved for the treatment of adult patients with glioblastoma (GBM) in the USA, Europe and Israel. Novocure has ongoing or completed clinical trials and is further expanding its efforts into several other solid tumor indications - non-small cell lung cancer, pancreatic cancer, ovarian cancer and other types of solid cancers.

As the result of the launch of multiple phase II and III clinical trials we are looking for professionals who would be excited to join a fast-growing, international Clinical Operations team at our Swiss HQ located in Root near Lucerne.

## **Clinical Quality Associate**

In this newly created position within Clinical Operations you will help in further developments of the Internal Quality Systems.

### **Your responsibilities:**

- Prepare, update and maintain an internal quality system for the clinical operations team, based on SOPs in compliance with relevant regulatory guidelines
- Ensure compliance of the clinical operations team with the quality system, including training and generating CAPAs as needed
- Prepare and perform internal audits and provide relevant support for external inspections

### **Your profile:**

- Degree in life sciences (Bachelor, Master or PhD in Biology, Pharmacy, Chemistry)
- At least 2 years experience in Pharma, Biotech or Medical Device industry
- At least one year experience in Clinical Quality Assurance
- Strong team player with integrity, commitment to quality and ability to think critically and creatively as well as work independently
- Strong written and oral communication skills
- Fluency in English (verbal and written), an additional European languages is preferred

We are looking forward to receive your application to Angela Unternährer, Senior HR Manager through our [ApplicantPortal](#). Please find more information about Novocure and our therapy on our website [www.novocure.com](http://www.novocure.com) or by consulting our [patient testimonial videos](#).
